Thursday, January 29

1:30 PM - 2:30 PM CET

Room 251, Level 2,
Palais des Congrès

IMCAS World Congress 2026,
Paris, France

Our expert faculty will cover new advances in Sculptra®'s regenerative aesthetics, latest additions to the Restylane® portfolio, and the science behind botulinum toxins—all part of Galderma's cutting-edge portfolio.

Discover these innovations through in-depth insights.
